Adding items into the outliner below populates your pivot.

Tabs allow you to change the information into different views,

To use <click> on the tab and drag it to either the lower left hand corner or to the upper right hand corner and then drop it.

Only Items you would add such as Obligations, Epend Auth, Unliquidated Oblig, Pay hours, etc belong in the facts area. The Items you can add only go in facts, no where else in a pivot.

<**Click**> on Major Boc and drag and drop it into the top labels.
